## Divers

**Remarks :**

**Classic 50ft steel cutter for sale in Kent:**

Artic Explorer is a classic 50ft steel cutter that is currently berthed in Chatham Marina. She was built in 1982 as an ocean-going steel vessel with a cutter rig to a designed by Alan Mummery. This yacht has undergone an extensive refit over the past 4 years and is ready to go ocean sailing. It has 7 berths, a comfortable living area and is powered by a Yanmar 4JH3E (2002) 56 HP diesel engine with a shaft drive to a 3 bladed folding propeller.

This boat boasts all the navigation and deck gear you would expect for a ocean going vessel and is ready to set sail. This vessel is UK Vat paid, and the owner is willing to deliver to Northern Europe or anywhere in the UK. Currently ashore as can be seen from the photo being antifouled, new anodes and having a new radar system fitted.

Please call our Kent office +44 (0)1634 571605 to arrange a viewing.

**Accommodation :**

This 50ft steel cutter provides berths for up to six people in 3 cabins, with a double cabin to aft portside and a large single berth to starboard. Forward is a large double berth with a large opening deck hatch which gives lots of light and makes the cabin feel very airy. The large concealed bar features a solid mahogany folding dining table with removable fiddles and sofa chairing. The seating can also be used to provide two further berths. These berths have appropriate tailored lee-cloths. There is a roomy navigation area with navigators chair and full sized navigation station desk with both red and white lights and under-table storage for navigation books etc. The galley is to port and has a seamless stainless steel worktop and has a pair of sinks with pressurised hot and cold water. Hot water heated by the engine and via a 240v immersion heater. There is a stainless Voyager 4500 oven, grill and hob with new gas pipes all fitted June 2024. A new Cello 24" Smart TV has also just been fitted June 2024. There is a large heads compartment with marine toilet with a featured teak wash basin (new 2023) with shower and hot/cold mixer tap and multiple storage lockers and handholds throughout. The yacht has wide side decks which provide a real sense of safety when walking around deck. The companion way steps lead up to the large and very secure cockpit which has a solid doghouse and lots of storage lockers.

<strong>History and Construction:</strong>

</strong>

<span><span>Arctic Explorer Designed by Alan Mummery is a 50ft steel hull, cutter rig fin keel ocean going yacht. This yacht has had a major refit in the past four years getting her ready to complete in the next ARC. In 2017 the under went a full face lift, including a re-paint of the hull and topsides, some new seacocks, new prop, new prop shaft new engine mounts and lots more. Unfortunately, after all of this preparation for the adventure of a lifetime ill health is preventing the owner participating and hence why she is being advertised for sale. Currently ashore February 2026 being antifouled, anode changed and new radar fitted.&nbsp;</span></span>
