Remarks :

Absolute 58 Navetta: Rare chance to snap up a practically new 2017 Absolute 58 Navetta at a used yacht price! Stepping aboard, you'll be struck by how she cleverly uses space and natural light, making her feel like a much larger yacht. Thanks to the towering vertical windows, every room is bathed in sunlight, enhancing the already luxurious feel. She's a breeze to handle too, with Volvo IPS D-8 engines providing both power and finesse, turning even novices into seasoned sailors. This yacht comes fully equipped with the works - IPS 800s with Joystick control, Bow Thruster. Whether it's longer cruising or lounging around at anchor the Navetta 58 ensures comfort, stability, and style.

Step below deck to discover the zenith of liveability – two lavish double cabins, masterfully positioned. The midship houses the opulent master cabin, while the bow boasts the VIP suite. Expect pillarless double-sided windows, ample storage, and chic interiors in both. It's not just about luxury, though – this yacht is practical with expansive wardrobes, functional desks, and dedicated vanity areas. This is sophistication, Italian style.

Highlights listed below but included in full specification:
