Divers

Remarks :

This is an excellent example of a Larson 240 Cabrio having been well maintained and cared for throughout its life. The engine, a 260 hp Mercruiser, has been recently serviced and is in good condition. It will provide economical and fast cruising. 'Persia' is spacious down below and clean throughout including the engine bay. The current owner has done a fantastic job of maintaining her and a full service history is available.

With a maximum speed of 35 knots and a cruising speed of 25 knots 'Persia' will bring you to your destination quickly, in style and comfort.

The Larson 240 is available to be viewed 7 days a week in the Southampton area. Please call Howard Ross on 07590 847548 for more information.
