Divers

Remarks :

2010 Regal 2565 Window express fitted with the Mercruiser 5.0MPI petrol engine with Bravo 3 outdrive with circa 640 hours. "RaRa" is a good example of these popular 4 berth family cruisers. She has been well looked after and maintained by her current owner having been fully serviced (engine & outdrive) in January 2025, she has also just had a new bow thruster fitted along with a new electric windlass. New interior carpet has been added along with SeaDeck soft decking to the cockpit and bathing platform. She has a full cockpit enclosure, GPD chart plotter, VHF, hot and cold water, tonneau cover etc etc.

Accommodation :

Accommodation

4 berth in 2 cabins
Convertible dinette to double berth
Double mid cabin
New carpets
HEADS:
New toilet
Shower
Sink
Hot and cold water
GALLEY:
Microwave
Sink
Hob
Refrigerator

Inventory :

Deck Equipment

Electric windlass with anchor and chain
Clean hull as not antifouled, dry stack stored
Warps and fenders

Manufacturer Provided Description
There are more cubic feet of livable interior space in this 25 Express than in Express Cruisers two feet longer. It's lighter, brighter and airier than any conventional trailerable cruiser. The large, windowed main cabin offers a comfortable dining area that converts to an oversized berth. There's a full standup head compartment, and the galley is complete with stove, sink with pressurized water, refrigerator, microwave and Corian countertop. The mid-cabin comfortably accommodates children or adults in the large berth. All this in a 25-foot trailerable cruiser that offers the highest level of standard equipment, equipment you would pay for as options on similar cruisers. The stand-up head compartment contains an integrated sink with hot and cold pressurized water, generous storage and a standard VacuFlush head.
