Accommodation :

The interior of the yacht is a masterpiece of modern design, offering a warm and inviting atmosphere. The yacht has three cabins that can accommodate six to eight people, making it ideal for families or a group of friends. The cabins are spacious and feature large windows that allow plenty of natural light to flood in, creating a bright and airy environment. Designed as a true private apartment, in an unprecedented layout, the forward owner's suite occupies fully two-thirds of the interior. Refined, bright and comfortable, the Jeanneau Yachts 55 is well equipped for cruising with full peace of mind. The main companionway provides private access to the owner's suite, opening onto the forward cabin, and features numerous handholds for safety on board while under way. Two cabins with private bathrooms enable guests to enjoy perfectly independent living spaces, accessible from the cockpit by two separate companionways.

The private saloon is also a great place to relax, offering stunning views and a comfortable seating area.

The cockpit is one of the key features of the Jeanneau Yacht 55, offering a spacious area for relaxation and entertainment. The protected navigation station provides a safe and comfortable area for you to control the yacht, while the exterior saloon provides a great place to dine and socialize with friends. The full-width sundeck at the aft end measures almost 5 meters, providing a perfect place to sunbathe and relax. The walk-around deck, winches and blockers, and easy and safe circulation make the cockpit a great place to spend time, even with the dinghy in place.

The yacht's helm position forward allows for the full-width cockpit, deckhouse, and the 2nd and 3rd cabin access, so you no longer impede any other guests onboard with your own shower and toilet. The yacht also features a large garage that measures 2.1m wide by 1.5m deep, providing ample storage space for all your sailing equipment.
