Remarks :

Part Exchange and Finance available on this boat

This stunning Finnmaster T7 is available here at Largs Yacht Haven. This is a must-see boat; the build quality and look are amazing, with a solid, high-quality finish. The amount packed aboard this T7 is unrivalled for the size of boat and she has an impressive specification.

She has had only one owner since new and has been meticulously maintained to an immaculate standard. One feature that has truly impressed us is the foldable cockpit cover. Once opened, it completely encloses the cockpit; however, on sunny days, the cover can be neatly folded away and stored under the aft seating.

Down below, she has a huge double berth with the addition of an infill to make the berth bigger. The berth is surrounded by windows both in the hull and skylights on the bow of the boat, making it a really light and airy space. There is also a toilet.

She is powered by a Yamaha 250hp V6 Outboard, which has only done 220 hours. This is an upgraded model as the standard is the 150hp. This will push the boat up to 40 knots!

The boat was prepared for the 2026 season with new antifouling, new anodes and full engine service in March 2026. She is staying in the yard at Largs Yacht Haven.

</p>

Accommodation :

Spacious forward cabin with large double bed

Manual seawater toilet to starboard

Cabin carpet and curtains

LED interior lights

Step up into the cockpit and you have a Dometic fridge under the navigators seat, and a sink to port
