Remarks :

The all new **Segue X4** 53ft flybridge motor cruiser, bespoke, elegant and exclusive with full customisation options. Segue have been building yachts for over 50 years in the Americas and every Segue yacht is unique. Segue offer full customisation options which include external colours and internal finishes as well as layout options to ensure that your fully bespoke yacht is perfect for you. Included in the cost of customisation our clients are invited to visit the factory in Buenos Aires where they can meet the team to discuss any aspect of the yacht whilst it is in build and water test an appropriate vessel whilst enjoying the vibrant city and culture.

Segue Yachts are a secret that has largely been kept from the UK and European luxury boating market since 1974 … until now.

An independent, family owned business, Segue Yachts have a history of designing and hand crafting luxury yachts using only the finest of materials and equipment. The perfect marriage of craftsmanship and technology.

For nearly 50 years, state of the art joinery, beautiful design, and the most reliable of components have come together, built and hand finished by experienced crafts people using exclusive materials to ensure consistent and lasting quality that are worthy of your praise.
