Remarks :

Introducing KAMMA, a 2020 Sun Odyssey 410. This is the first SO 410 to enter the pre-owned market in Scotland. Located in Largs, this vessel was meticulously maintained by an avid sailor who appreciated its superior performance. The Sun Odyssey 410 features a spacious cockpit, innovative walk-around side decks, and a robust Lombard-designed hull. The interior layout is optimised for light and space, offering ample storage and comfortable accommodations. This vessel delivers exceptional handling and performance and is ideal for both cruising and competitive sailing. Seize this rare opportunity—contact us to arrange a viewing and explore the advanced design and functionality of the Sun Odyssey 410

Accommodation :

Saloon
The saloon of the 2020 Sun Odyssey 410 is designed to be a bright and inviting space. It features large windows that allow natural light to flood in, creating an open and airy atmosphere. There is a U-shaped dinette that can comfortably seat several guests and convert into an additional berth if needed. The saloon also includes a chaise longue that can be extended to form a single berth, providing flexible seating and sleeping arrangements. Ample storage is available under the floorboards and in various compartments, ensuring a clutter-free environment.

Cabins
The Sun Odyssey 410 offers spacious and comfortable cabins. The master cabin, located forward, boasts an off centre double berth with easy access from both sides, large hanging lockers, and additional storage spaces. Hull windows provide natural light and a connection to the outside environment. The aft cabins feature double berths, hanging lockers, and storage cupboards, ensuring guests have plenty of space for their belongings. Each cabin is equipped with reading lights and USB sockets for added convenience.

Galley
The galley is well-appointed and designed for functionality. It includes a two-burner gas hob, oven, and grill, making meal preparation a breeze. The 1.5 bowl sink comes with a removable chopping board, and the top and bottom-loading fridge provides ample space for food storage. The galley layout ensures that everything is within easy reach, making it efficient to use even while underway. Additional storage compartments and drawers keep kitchen essentials organized and accessible.

Toilets
The heads on the Sun Odyssey 410 are designed with comfort and practicality in mind. They feature an electric toilet, a separate shower enclosure, and a pressurized hot and cold water system. The layout ensures that the space is easy to clean and maintain, with thoughtful touches like low-level lighting and concealed storage for toiletries. The heads are well-ventilated and provide a comfortable space for personal care routines.
