Rollbar and Davit : 316 L chrome rollbar with 42 mm diameter and 3mm wall thickness at the stern. Two solar panel on the rollbar. Hoisting possibility the outboard motor using electrical winch with a swivel articulated davit Telescopic roller assembly on the rollbar to carry the inflatable boat. Roller assembly for hoisting the inflatable boat to the rollbar with electric winches. **Sunshades :** Made of Sunbrella fabric that opens to port and starboard, zipped to Lazy bag sun visors

Opening Platform : Electrical control from the cockpit 2 x Quick pop-up platform remote controls.

ELECTRONICS :

Two Plastimo compass in front of the two helms.
Chart : Navionics digital map of all Europe and the Mediterranean
Chart plotter : Two Raymarine Axiom pro. Each next to the helms. (Android) (Apple compatible) chart plotter. Connection with other electronics and mobile phone via Wi-Fi and Bluetooth network all internet applications that can be installed, music system managed state-of-the-art device that can be loaded and coordinated.
Navigations : Raymarine i70s multi-function display. Wind, speed, depth, position sea temperature. etc. Sensors : 1 x depth and speed sensor. 1 x wind sensor.
AIS : Raymarine AIS 650 Class B Transceiver
Radar : Raymarine Quantum Radar
Autopilot : Raymarine p70s Autopilot + ACU 400 Gyro Compass Remote Control : Raymarine Smart Controller smart autopilot remote control and display of all data.
Converter : Raymarine Sea Talk Converter Radio
VHF : Raymarine Ray 50E VHF (with DSC) 25 W. Fixed radio Handheld Radio : Standard Horizon HX300 Floating Handheld Radio.

Batteries : 5 x 110 A Victron Gel Deep Cycle Batteries (installed in June 2019).

1x Mutlu Marin 125 A SFB battery (installed in June 2020).

4 x 50 A Exide 24 v. bow thruster battery and 24/12 v. converter

Alternator : 125 A Engine Alternator.

Charge Regulator : 1 x 150 A. Automatic power distributor (charge divider)

Battery Charger : 2 Cristec brand 40 A

Lighting : All lights and navigation lights are led lighting Underfloor LED lighting in the saloon and the bow cabin.

Electrical Panel : Fuse panel with digital display next to the Map Table (battery charger, fuel tank and water tanks). 2 main switches, one in the saloon and one in the cockpit. Automatic switch board that controls all electrical distribution in the hall Windlass, electric winches, all electrical disconnection switches, engine disable switch (on port cabin). Brakers, main engine cut-off breaker (on port cabin).

Isolator : Galvanic isolator (electrolytic corrosion inhibitor).

SOLAR ENERGY : 2 x Panasonic HIT 325 W rigid, framed monocrystalline solar panels. Total 650 W : Victron Smart Solar MPPT 100/50 charge controller. Watching from a mobile phone with Bluetooth and seeing the history of 30 days. (Solar energy system that does not need electricity from shore)

HEATING : Webasto EVO55 diesel oil heater with thermostat control. All cabins, lounge and the possibility of heating in a short time with the pipes drawn to the toilets.

GALLEY :

Double bowl chrome sink.

White marble L counter.

Refrigerator : Vitrifigo 175 L refrigerator with vertical doors both from the top and from the front.

Deep Freezer : Vitrifigo 80 L Deep freezer with top opening door. 12 V for deep freezer compressor
Cooker and Oven : ENO three-burner cooker and heat-regulated oven and grill.

WATER INSTALLATION : Fresh water shore-connection equipment (with pressure reducer). It provides water to the installation without using the water in the tanks and the hydrophore.

Boiler : Quick 40 l. 1200 w. boiler

Fresh Water System and Pumps : Water booster and water pumps in showers

Toilets : En-suite bathroom in the master cabin, Jabsco electric toilet and shower with separator section.

Jabsco electric toilet and shower with separator in the living room. Bidet faucets with chrome pipes in toilets

Wastewater : 80 L in both toilets, 160 L in total.

Cockpit Shower: Shower in the cockpit and closing-opening valve with temperature control.

Washing Machine: Siemens 5 kg. in Master Cabin.

SALOON / HALL : An extra single bed with the chart table being lowered to the floor with a slider

Sound System : Fusion AV 750 Music System. Radio (FM-AM), DVD, MP3, Bluetooth, USB, SD Card, Aux. with remote control. Controlled with mobile application Integrated with chart plotter. Able to control from the rudder-side chart Plotter display.

1 Bose bass cabinet and 2 Bose speakers in the saloon

2 waterproof speakers in the cockpit

TV Antenna : TV antenna is ready on mast.

AUXILIARY TOOLS : 20 m. Shore Power Cable : 25 m.

Water hose and deck brush.

Radar reflector : Windex : 1

Harness (bosun’s chair)

2 x fire extinguishers (2 kg.)

Telescopic ladder.

Telescopic hook.

2 x 22 L fuel canister.

Spare engine oil and oil drain pump.

Spare impeller and engine

Air horn

Tool Bag

SECURITY

 Life Raft : SeaSafe brand automatic opening life raft for 6 people.

Spare Rudder Tiller : Emergency Tiller Rope & Wire Cutter : Steel Wire Cutter

Life Jackets : 6 automatic inflating life jackets IMNASA Harness Safety Strap /Harness : 4 chrome clamped safety harness

INFLATABLE BOAT : Highfield Aluminum Base Classic 260 model Inflatable Boat. It is covered with Sunbrella. With under seat special bag and onshore transport wheel.

OUTBOARD ENGINE : Yamaha 6 HP 4-stroke short shaft marine engine

Mechanical :

Main Sail : 49,60 m²; Full Underwire performance classic 3 reef mainsail. Main sheet with a single sling system, from both starboard and port.

Boom Brake: Jibe preventer.

Genoa: 46,50 m²; %106 Performance Mylar/Tafetta UV protection. Self-tacking jib assembly is ready with its transport rail and sheet.

Spinnaker Rig: Spinnaker boom hangs on the mast. Down hall and out hall is situated

Gennaker: 96 m²; A3 Spi, Admiral furling,
