Remarks :

This 2003 Bayliner 265 has been cherished by its current owner, transforming it from a simple weekendender yacht into a vessel capable of comfortable long-term trips. Powered by a reliable single Volvo Penta KAD32 engine, it offers a great balance of performance and fuel efficiency for comfortable cruising. Inside, the boat sleeps up to six people and comfortably sleeps four people, with a double V-berth forward and a private double mid-cabin berth. The galley is fully equipped with a spirit stove top, microwave, refrigerator, and sink, allowing you to prepare meals easily during your time on board. The spacious cockpit offers plenty of seating, with a fold-away aft bench and lounge seating perfect for entertaining.
