Remarks :

This Jeanneau Merry Fisher 895 Sport is a 2022 build year but to a 2023 model year. She has an outstandingly high specification which includes the largest Yamaha 2 x 250hp SBW engines with only 68 hours run time. She is also fitted with just some of the following options; manual sliding roof hatch, premier pack, comfort pack, folding side benches port/starboard, roof storage rack, swim platforms, aft cockpit teak table, deck search light, saloon berth, curtains, Flexiteek decking, Raymarine 12inch axiom, Webasto heating, Fusion stereo with signature speakers and the upgraded 250hp steer by wire Yamaha engines with autopilot. There are a significant number of bespoke custom options that have been fitted to her to further enhance the owner's and guests time on board. Described as the sporty 'SUV' of the sea, the 895 sport is an incredibly versatile boat that allows for a range of boating activities.

Offering a substantial saving compared to a brand new example with the same specification, expertly maintained and well cared for, this truly is a one of a kind boat and we challenge you to find a higher specification MF895 Sport for sale in the UK!

This boat has been coded for commercial use but has never been operated as a business therefore she is in excellent condition. The coding could be reinstated if needed and she could be purchased ex vat for qualifying buyers.

With her contemporary design and distinctive personality, the Merry Fisher 895 Sport is ideal for taking on an adventure. From fishing with friends in a quiet creek to exploring new coves with the kayaks onboard, the possibilities are endless. With her clever combination of design features for security, ergonomics and true comfort on board, both on the exterior and the interior, this Merry Fisher 895 Sport meets the most demanding criteria. Complete with the upgraded 250hp Steer by wire Yamaha outboards, her turn of speed and sporty feel will leave a permanent smile on the helmsman's face. The vendor is looking to downsize and would consider part exchanges such as a RIB or a Jeanneau Cap Camarat.

Please call us on 01243 550042 for more information.

Accommodation :

Accommodation:
Master Cabin:

There is a large 2m long island berth in the master, forward cabin that also has a large storage under the berth. This cabin has a large amount of light coming in from the long sea vision inspired potholes and the deck hatch which allows for ventilation. This cabin also has ambient, in direct LED lighting.

Second Cabin:

The second cabin is situated on the port side, has a generous sleeping area, good natural light from port hole as well as from the sky light. Under the berth is additional storage as well as a hanging cupboard.

Heads:

Galley - in saloon:

Sink

Hob, single rings

Refrigerator 60l 12volt
