Remarks :

A beautifully maintained luxury yacht, this 2002 Princess 45 combines classic elegance with modern performance. Measuring 13.7m (45ft) in length overall and 4.22m in beam, she offers spacious interiors featuring three cabins and two full en-suite bathrooms—perfect for comfortable cruising.

Powered by twin 420hp Caterpillar engines, she reaches a top speed of 28 knots and cruises smoothly at around 22 knots.

The flybridge is designed for relaxation, featuring cushioned seating, a sunbed, bimini top, and a convenient fridge. Below deck, the salon impresses with rich blue leather upholstery and warm cherrywood finishes, while the galley is fully equipped with a ceramic hob, microwave, fridge, and double sink.

On deck, amenities such as a swim platform with shower, transom crane, electric windlass, and tender storage enhance onboard living. Located in La Ràpita, beside the protected waters of the Ebro Delta, this Princess 45 is EU VAT paid, fully documented, and ready for immediate viewing.

Accommodation :

The Princess 45 offers comfortable accommodation for up to six guests across three well-appointed cabins: a forward master cabin with double bed and en-suite bathroom, a starboard twin cabin, and a portside guest cabin with bunks. A second full bathroom ensures convenience for all aboard. The bright salon features plush seating and a dining area, while the fully equipped galley makes extended cruising a pleasure.

Inventory :

Bow Thruster: Dual Helm Control

Stern Thruster: Dual Helm Control

Bennett Trim Tabs: Dual Helm Control
