Remarks :

We are excited to present this 2018 **Lagoon 450 F Flybridge**, a fantastic opportunity for anyone looking for a well-maintained, premium cruising catamaran. With only one owner since new, this catamaran has been meticulously looked after and boasts an extensive range of features for both comfort and performance. The Lagoon 450 F has proven itself as one of the most popular catamarans in its class, and this particular example is no exception.

Equipped with the highly sought-after flybridge configuration, this boat offers excellent exterior living space, perfect for relaxing or entertaining in the cockpit, flybridge, or forward areas. Inside, the spacious 4-cabin, 4-head layout is complemented by additional crew berths in the forward sections, making this Lagoon 450 ideal for family cruising or charter.

Key features include:

- Twin Yanmar 57hp engines with sail drive and 3-bladed propellers
- Harken electric winches for effortless sail handling
- Upgraded square-top mainsail for improved performance
- Solar bimini providing renewable energy
- Increased water capacity for extended cruising
- Onan 11kva generator
- Comprehensive B&G navigation suite
- Cockpit fridge and tender davits with an electric winch, making tender operations easy

Located in Lefkas, Greece, this Lagoon 450 F offers a ready-to-go solution for someone looking to enjoy the cruising lifestyle without delay. Additionally, there's potential to place her into charter for the fully booked 2025 season, providing an opportunity for revenue generation.

Full details and photos to follow soon – don't miss out on this exceptional catamaran!

Accommodation :

Manufacturer Provided Description

450: SEEING BIGGER

Replacing a catamaran that has come to be seen as a benchmark is no easy task. But the VPLP architects, in partnership with Lagoon and the celebrated Nauta Design studio, have been brilliantly successful in creating the 450.

FlyBridge

- in terms of accommodation
- deck areas
- facilities
- performance

ABOVE DECKS

- a steering station on the fly bridge with safe access from both sides for perfect visibility and a large sunbathing area
- a spacious cockpit, again ideal for sunbathing, on the same level as the galley, with a ventilation panel
- a second cockpit, making best use of the forward area
- particularly safe and effective transom platforms for coming aboard or accessing the tender

BELOW DECKS

Interior design by Nauta: elegance and functionality saloon and cabins exceptionally well lit natural light in cabins thanks to large glazed panels on hulls truly luxurious owner's cabins

Comfortable guest cabins with a side access to the double bed

"U"-shaped galley for greater comfort at sea, equipped with large hot plates, broad work space and plenty of storage optimization of the access between the cockpit and the galley engine compartments remote from the living areas and perfectly insulated
