**Remarks :**

**Hanse 545 (2010) &ndash; EU VAT Paid | Lightly Used | Lying Greece</strong></p><p>Delivered new in 2010 and privately owned since 2015, this is an exceptionally well-kept example of the popular <strong>Hanse 545</strong>, designed by Judel/Vrolijk and built in Germany. Originally used as a factory demonstrator, she has since been cruised lightly and maintained to a high standard by a single private family ownership.</p><p>She offers the perfect balance of <strong>performance, comfort, and simplicity</strong>, with the Hanse Easy Sailing system &mdash; <strong>self-tacking jib</strong>, <strong>in-mast furling</strong>, and <strong>electric winches</strong> &mdash; making her easily handled by a couple. Below, the interior is bright, modern, and well laid out for extended living aboard, with <strong>three generous cabins</strong>, two heads with <strong>separate stall showers</strong>, a long galley, and excellent ventilation throughout.</p><p>Low engine and generator hours, <strong>VAT paid status</strong>, and a recent round of smart upgrades &mdash; including a <strong>new watermaker</strong> and <strong>radar system</strong> (Winter 2024/25) &mdash; complete the package.</p><div align="center"><hr align="center" size="2" width="100%"></div><p><strong>Highlights</strong></p><ul><li>Yanmar 110 hp engine &ndash; only <strong>1,031 hours</strong></li><li>Fischer Panda generator &ndash; approx. <strong>400 hours</strong></li><li><strong>EU VAT paid</strong> &ndash; privately owned and well documented</li><li><strong>New watermaker</strong> and <strong>new radar</strong> (Winter 2024/25)</li><li>North Sails (2016) in excellent condition</li><li><strong>In-mast furling</strong> mainsail and <strong>self-tacking jib</strong></li><li>3 electric winches &ndash; Easy Sailing setup</li><li><strong>Air conditioning</strong> (3 x Clima Vega Mk3 units)</li><li>3 double cabins / 2 heads with <strong>separate shower stalls</strong></li><li>Teak deck in excellent condition</li><li>Drop-down transom with <strong>tender garage</strong></li><li>Sail locker forward, convertible to skipper cabin</li><li>LG washer-dryer fitted</li></ul><p>&nbsp;</p><p><strong>Why She Stands Out</strong></p><p>Few examples of the Hanse 545 come to market with such light use and thoughtful upgrades already in place. The combination of <strong>low maintenance hours</strong>, a <strong>cruising-friendly layout</strong>, and equipment like <strong>air conditioning</strong>, a <strong>tender garage</strong>, and a <strong>washer-dryer</strong> make her ideal for extended Mediterranean seasons or offshore passages.</p><p>With her clean lines, flush deck, and German build quality, she offers both sailing pleasure and excellent onboard comfort.</p><p><strong>&nbsp;</strong></p><p><strong>Broker&rsquo;s Remarks</strong></p><p>A very well-maintained and sensibly upgraded Hanse 545 with <strong>EU VAT paid</strong>, low hours, and key systems already renewed. Well suited to sailors looking for a stylish, capable cruiser with the features needed for independent Mediterranean cruising.</p><strong>Accommodation :</strong></div>**
