Remarks :

We are pleased to offer this 2007 Hanse 315. The Hanse 315 is a compact but highly capable cruiser with excellent handling and a surprising amount of space for a boat of its size. Its practical design, ease of handling, and comfortable accommodation make it an ideal choice for those looking for a small yacht that can perform well without sacrificing comfort.

"Serafina Pekkala" is equipped with self tacking Genoa, Slab reefed mainsail in stack pack with lazy jacks along with all the essential navigation features, including navigation lights, wind instrument, speed instrument, depth instrument, and an autopilot, making it well-suited for easy and efficient sailing.
