Various

Remarks :

Dufour 38 Classic (2002) well presented by the current owners. This yacht has been regularly maintained and is presented with new Genoa and Main sails.

The Dufour 38 is a good looking yacht, has a large cockpit with contoured seats, with wide side decks that make it possible to move forward safely and rapidly, using the long grabrails on the cabin top. All halyards and sail controls are led aft to the cockpit, and there are self-tailing Lewmar winches either side of the companionway.

Accommodation :

Additional Information

Interior Layout and Amenities

- Design: Rich, classic mahogany interior that reflects traditional craftsmanship.
- Accommodations:
 - Cabins: Three cabins – two twin cabins aft and one spacious forward cabin with a sofa and dual wardrobes.
 - Height: Headroom is approximately 1.85 meters.
 - Berths: Sleeps six comfortably in the cabins, plus additional sleeping for two in the dinette.
- Dining and Navigation:
 - Dinette: Spacious with ample seating.
 - Chart Table: Includes a seat for navigation.
- Galley:
 - Located along the wall, equipped with a double sink and Corian worktops.
 - Includes a tilting gas stove with two burners, an oven, and a large refrigerator.
 - Hot and Cold Water: Pressurized water system with a dual-purpose boiler.

Manufacturer Provided Description

Conceived by Olivier Poncin and developed by Yann Chabaud, the Dufour 38 Classic illustrates the intelligent use of space with no concessions in the use of materials or choice of fittings and navigational elements. Built to quality criteria defined by Dufour, the 38 Classic has been built for both comfort at sea and in port. Sailors will appreciate the quality of the solid mahogany joinery that is dear to Dufour, the use of high quality fittings, the impressive space in the offset saloon, and the spacious galley along with the separate shower stall. The 38 is a blue water cruiser which fits in the middle of the exquisite Dufour Classic range.

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated.
