Various

Remarks :

PART EXCHANGE & FINANCE AVAILABLE ON THIS BOAT

BayBlue is a well-equipped Dromeas D28 WA offering versatility and functionality for various on-water activities. The boat features numerous upgrades that enhance its usability and appeal. The signature Adam Younger stepped hull and deep V design provide stability and performance in challenging conditions, making it a capable vessel for adventurous trips.

The boat has been equipped with a long list of upgrades like the SoniHull4 SH04 system, Garmin Fantom Dome radar, and a fully enclosed T-Top, offering protection and convenience for extended outings. The Eshdec flooring provides comfort under foot, while the cabin and wet bar galley provide good amenities for weekend stays.

BayBlue's thoughtful additions, including forward deck seating with cupholders, storage lockers on both sides, and a motorised searchlight, add functionality for recreational and practical use. Although the rear bench seat is currently removed, it is safely stored and can be reinstalled if desired. This Dromeas D28 WA presents an excellent opportunity for buyers seeking a capable and adaptable vessel.
