**Remarks :**

The **Grand Soleil 43** is an elegant performance-cruiser built by the Italian yard Cantiere del Pardo and designed by J & J. The relatively low wetted area and generous sail plan provide outstanding sailing characteristics, while the lead keel with low center of gravity and deep rudder ensure excellent stability and control in all conditions. Powered by a Yanmar 55 Hp diesel engine. Solid teak decks and cockpit sole.

Designed for short-handed, comfortable passage making, the **Grand Soleil 43** remains one of the most popular models in the range.
