**Remarks :**  
We are pleased to bring to market this fin keeled Hanse 300. If you are in the market for a small but fast cruiser with the ability to be able to stay on board over night then 'Sapphire' is worth considering. She is equipped with a self-tacker making single handed sailing a breeze.&nbsp;<span>Thanks to her arrangement with a separated fore cabin and additional lockers, the well-proportioned section below deck offers a lot of space and comfort.&nbsp;</span>  
  
She is also equipped with a Yanmar 20hp engine which is the larger engine compared to her later siblings which were fitted with a 10hp engine.  
  
Please call us on 01243 550042 for more information and to arrange a viewing.</span>
