Remarks :

Jeanneau Sun Odyssey 39i Performance Built in 2009, this Jeanneau Sun Odyssey 39i Performance is a popular choice in the cruising community, reflecting Jeanneau's commitment to combining performance, comfort, and style. It offers accommodation for up to 9 people across 3 cabins, including additional berths in the saloon. This vessel benefits from a range of Raymarine navigation equipment, including autopilot, depth gauge, speed/log, and windspeed indicator. This 2009 Jeanneau Sun Odyssey 39i Performance also benefits from a 2016 deck-stepped Selden Mast and Boom with 2016 standing and running rigging. The owner has enjoyed the vessel for the last 5 Years and is now looking to downsize to a smaller vessel. A 2019 survey is available upon request. A berth at Dover Marina, Kent is also available. Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing.

Accommodation :

This **Jeanneau Sun Odyssey 39i Performance** offers a total of nine berths across three cabins plus the saloon. The forward cabin features a double V-berth, complete with under-berth, cupboard hanging, and side shelves storage. The forepeak also offers an opening deck hatch overhead for ventilation and natural light. Moving aft, the saloon consists of a central table with booth seating to the starboard side with under-seat storage and two lockers above the booth area. This booth area also becomes an occasional double berth. Opposite the booth area is a single settee, this area also converts into a single berth. Located at the end of the single settee is a side-facing chart table with chart storage, vessel control switches and battery monito. This area also includes navigation aids such as a Raymarine C120 Chartplotter, VHF, ICS Nav6 GPS unit, 240v Socket, Radio/CD Player with saloon and cockpit speakers, and Webasto heating controls. The heads are on the starboard side behind the chart table, featuring a white sink set in a white vanity unit, with pressurised hot and cold water and a shower attachment with a built-in shower tray, and a marine toilet. The heads compartment also benefit wets storage and a mirror. The galley is located on the portside aft of the saloon and features a double stainless-steel sink with pressurised hot and cold water, a gimbaled two-burner gas hob with oven and grill, a 12-volt counter top fridge, and ample storage. This Jeanneau Sun Odyssey 39i Performance benefits from a 355-litre fresh water capacity, an 240v water immersion heater. Located at the stern of the saloon to both port and starboard are two double-berth cabin with under-berth, hanging, and side shelf storage. These cabins also benefit from a single opening portlight to the cockpit allowing natural light and ventilation. The companionway leads up to a large aft cockpit, with bench seating to both port and starboard with a central folding table. This vessel benefits from dual steering wheels at the aft of the cockpit with bow thruster controls and engine controls to startboard. Each steering column, features a steering compass with a central Raymarine chartplotter, depth gauge, wind direction, and a speed log.
