Remarks :

The Jeanneau Merry Fisher 805 is an excellent Leisure fishing motor yacht and 'The Duchess' is a prime example of one that has been well maintained and cared for by it's previous owners. Her 200hp Nanni engine has been lightly used and fully serviced in 2024 whilst being serviced regularly beforehand. Fuel injectors were refurbished in 2024 also, as well as new anodes fitted and a recent antifouling. The cooker and sink were also refurbished and a new gas safety certificate issued in 2024.

Manufactured in 2006 this Merry Fisher 805 comes with a full compliment of Garmin navigation equipment and fully operational electronics. Her Pilot house is large, light and roomy with a fully functional galley, helm's seat, sitting area and stairs which lead down to a wide V-shaped double berth that is a perfect sleeping zone for those nights away. The Pilot house has Large windows with a 360 degree view available and curtains for privacy. Outside, rod holders adorn the side of the stern area creating an ideal area for casting out lines and reeling in big ones whilst a ladder leads up to the flybridge that is complete with cushions and serves as an excellent viewing platform and an exciting place to sit whilst on the move. 'The Duchess' comes with a full back canopy that is in very good condition

In short, this Merry Fisher is spacious, comfortable, reliable and practical. She is a superb fishing boat and a great way to get out on the water.
