## Various

**Remarks :**

The synergy between innovation and performance has made the Jeanneau Sun Odyssey line an incontestable success for years. The Sun Odyssey 380 is born of the desire to offer sailors a unique experience and comfort on board in a model delivering even greater performance. In perfect accord with the spirit of Sun Odyssey, this sailboat integrates the best innovations of the line with a contemporary, harmonious style.

Powerful, balanced and modern hull designed by Marc Lombard, that combines a long waterline length and a hard chine for speed and comfort at sea. Sleek deck lines, safe and ergonomic with flush hatches and integrated deck hatches. Fold-down transom for easy access from a pontoon or dinghy. Safe and ergonomic cockpit with lines led back to helm stations. Innovative deck plans, with inclined side deck for an easy circulation. This three cabin and single heads version is powered by a Yanmar 40hp engine with shaft drive. Price discounted by &pound;44,066 for this stock boat, immediate delivery

**Part Exchange and Finance available.**

**Accommodation :**

This is the three cabin and one heads version of the Jeanneau Sun Odyssey 380.&nbsp;

Forward owners cabin with double berth offset to starboard. Hanging locker, storage. Opening roof hatch, two hull fixed portlights. Door leading through to the saloon with bench settee to starboard, U shaped settee to port with central dining table. This 'luxe' dining table has a drop leaf and storage. Port settee can be converted to a double berth. Storage behind and under settees. Hull portlights and deck level portlights, opening deck hatch.

L shaped galley to port, aft facing chart table to starboard. Aft of chart table, door to the heads compartment.

Central companionway with doors either side to the aft cabins. Both cabins have a double berth, lockers and storage, opening portlights and access hatches to the engine.&nbsp; Central companionway lifts to give good access to the Yanmar engine. LED lighting, portlight blinds and good storage throughout. Woodwork finished in upgraded option of Grey Cedar with Dark Oak laminate floorboards.
