Remarks :

We are pleased to bring to market this lovely Cranchi Zaffiro 28. The Cranchi Zaffiro 28 has often been regarded as one of the best boats in this size range for comfortability. Thanks in part to a sizeable beam, this model offers very generous accommodation space for cruising in comfort. Equipped with a&nbsp;Volvo Penta KAD 43 engine and a slippery hull design she is sure to provide impressive performance and a sporty feel behind the wheel.

She has been particularly well looked after by her owners over the years and has a full suite of maintenance invoices dating back to when she was brand new in 2004. She has been serviced annually with the local main Volvo Penta dealers and has only effectively only had 2 owners since new.

Please call us on 01243 550042 for more information and to book an appointment to view.
