Various

Remarks :

The **Oceanis 351** is a popular cruising sailboat from Beneteau, known for its comfort, performance, and solid build quality. Designed by Jean Berret and launched in the early 1990s, this 35-foot yacht is ideal for both short coastal trips and longer offshore passages.

'Marco' features a well-appointed three-cabin layout, comfortably accommodating 6+ berths. The forward cabin includes a double berth, while the main saloon offers a linear galley to port and a dining area with seating to starboard. A heads compartment is located aft of the dining area on the starboard side, opposite a dedicated forward-facing chart table. Two mirrored aft cabins, each with a double berth, complete the layout, providing a balanced and practical arrangement for cruising.

The photos are provided by the owner and will be updated once the boat has been professionally cleaned and prepared for sale. *Marco* has been well-loved over the years, never chartered, and has received regular maintenance. It will make the perfect first boat or family cruiser for those looking to explore the waters.

Accommodation :

Chart Area

Chart table facing forward;

Stowage space;

Seat with locker;

12 function electrical panel;

1x red watch light;

Companionway

Removable steps for access to engine
