This particular example is afloat with us in Chichester Marina and can be viewed at a moments notice. She can be commissioned and made ready for the beginning of Summer!

The specification of this boat is for this exact example. Further custom options can be added by local professionals to create your dream boat!

This new Jeanneau Cap Camarat 10.5WA Series 2 - fitted with the new generation twin white 350hp Yamaha engines , is inspired by the Cap Camarat 12.5 WA, and replaces the first-generation model which was already a best seller launched five years ago.

Every element of this boat has been redesigned and refined with substantial stainless steel supported T-top offering you the level of protection you need and expect for a boat tailored to our climate all supported on a Michael Peters no step infusion moulded hull offering greater engine choice flexibility and performance. Here at Blackrock Yachting we have a proven track record with large Cap Camarat's in the UK and have drawn on our experience to specify this boat to meet our customers requirements best. The previous generation 10.5WA was an impressive boat but the series 2 really has to be seen to be fully appreciated.

This example comes highly specified with twin 350hp Yamaha engines, Premier Pack, Bow Thruster, front sun deck, automatic trim tabs, T-top, T-top closing kit, full Raymarine electronics which includes: twin 12inch plotters, VHF, AIS and radar as well as a bespoke fusion sound system, striking custom hull vinyl wrap (can be removed if required) and lots more.

Most additional options can be seamlessly added or and amended if required. The price includes VAT, delivery and commissioning in the UK. Also available for export - price on application and part exchanges considered.

Please call us on 01243 550042 for more information.
