Various

Remarks :

Introducing the stunning 2022 Princess V40 Sports Cruiser, a remarkable vessel that combines elegance with performance. With an impressive overall length of 12.5 meters, this boat is designed for those who appreciate both style and functionality. Crafted from durable fiberglass, the hull ensures a smooth and stable ride, perfect for cruising the open waters. Powered by twin Volvo D6-330 DP inboard engines, each delivering 330 kW, this cruiser offers a powerful and efficient performance, with only 117 hours of use. The V40 features two well-appointed cabins and a head, providing ample space for relaxation and comfort on board. Equipped with essential features, this vessel is ready for adventure. The Princess V40 is the ideal choice for those seeking a luxurious and enjoyable boating experience, making it a standout option in the world of sports cruisers.
