<h2>Description of the Salina 48</h2>I am proud to present my Salina 48, a catamaran in excellent condition, designed for offshore adventures. This sailboat is equipped to offer optimal comfort with its 4 double cabins, one of which is converted into a workshop. It also features solar panels, a water maker, a generator, and central heating for your comfort.The Salina 48 is a model of liveaboard catamaran for cruising, built by the shipyard Fountaine Pajot in France. Designed by naval architect Berret-Racoupeau, this sailboat measures 14.3 meters in hull length. Production of this model began in 2007.h2>Equipment and Featuresh2>Equipment and Featuresthis catamaran is equipped with a full-batten mainsail on ball bearing cars, a genoa and a genoa and a FURUNO and RAYMARINE equipment, as well as a COBRA VHF.
