#### <strong>Remarks :

<strong>Westerly Centaur for Sale in Kent</strong>This 1977 <strong>Westerly Centaur</strong> is a fine example of one of the UK's most popular and enduring family cruising yachts. Designed by Laurent Giles, the Centaur's reputation for solid build quality, reliability, and sea-kindly handling has made it a favourite among sailors for decades. Ideal for coastal cruising, estuary sailing, or exploring rivers and creeks, she offers excellent value for anyone seeking an affordable and dependable cruiser.
This particular example has been owned by the current owner for the past year and has had five previous owners. She features the classic <strong>bilge keel configuration</strong>, allowing her to take the ground safely and making her perfect for exploring tidal waters around the Kent coastline and beyond. She has just been brought ashore for the winter at Swale Marina, Kent. On deck, she is equipped with <strong>stainless steel stanchions and pulpit</strong>, a <strong>GRP toe rail</strong>, and all the essential deck fittings for secure and comfortable sailing. Her straightforward rig and robust fittings make her an easy yacht to handle short-handed or by a small crew.Below deck, the Westerly Centaur offers a <strong>simple yet practical layout</strong> with ample space for family cruising. The saloon provides comfortable seating and converts into additional berths, while the galley area offers all the basic amenities for extended weekends aboard. The interior, though traditional, is designed with functionality in mind, ensuring a warm and welcoming atmosphere at sea or in harbour.She carries a <strong>46-litre freshwater tank</strong> and a <strong>37-litre fuel tank</strong>, providing good range and autonomy for longer passages. Her navigation equipment includes a <strong>Clipper Marine depth gauge, speed log, wind speed indicator</strong>, a <strong>Garmin GPS</strong>, <strong>Standard Horizon handheld VHF</strong>, and <strong>Raymarine ST2000+ tiller pilot</strong>, ensuring safe and straightforward navigation.Well-suited to both new sailors and experienced cruisers alike, this Westerly Centaur represents a solid and affordable entry into yacht ownership. For further information or to arrange a viewing, please contact our <strong>Kent Office on +44 (0)1634 571605</strong>. <strong>Accommodation :</strong>

This The forepeak features a V-berth with convenient under-berth storage and infill, which converts it into a double berth. The forepeak also benefits from shelf storage to both sides of the berth.Moving aft, there is a separate Head's compartment equipped with a marine toilet and a wash basin supplied with pressurised pumped hot and cold water. & amp;nbsp; Water is heated by a calorifier and a 240v immersion heater.Continuing towards the stern, the saloon offers a central table, accompanied by a booth seating area on the port side, offering convenient under-seat and shelf storage behind. The port settee easily transforms into a single berth. & amp;nbsp; Leading from the booth area is a quarter berth located at the stern of the saloon.Opposite the booth seating area to the starboard side is the galley featuring a gimbaled 2-burner gas hob with oven and grill, cool box, and a single stainless-steel sink supplied with pressurised hot and cold water, and ample storage space.Behind the galley area is a single settee with under-berth storage and cupboard storage above; this area also includes another quarter berth.Additionally, this Westerly Centaur comes equipped with a saloon-mounted CD player/radio. & amp;nbsp;Ascending the companionway leads to the aft cockpit, complete with bench seating comfortably accommodating five people and offering generous storage within a deep locker to the stern The cockpit includes a compass, depth gauge, speed log, cockpit shower with pressurised hot and cold water, engine controls, and

tiller with a Skeg rudder.

<strong>Mechanical :</strong>

**Mechanical Systems:** 

 </strong>The&amp;nbsp;Westerly Centaur&amp;nbsp;is equipped with a 2017, 20hp Beta diesel engine, powering a shaft driven three bladed fixed propellers. This engine is supplied by a 37 Litre fuel tank and is&amp;nbsp;operated via Morse controls. This Westerly Centaur should expect a cruising speed of approximately 4 knots, with a maximum speed of approximately 6 knots. The current engine hours are unknown.<strong>&amp;nbsp;</strong>This Beta 20 Engine was

last serviced in November 2024 with an oil change, new oil and diesel filters.<strong>

#### **Electrical Systems:**

</ri>
 </strong>This&amp;nbsp;Westerly Centaur&amp;nbsp;is equipped with two 12-volt batteries, (1 x Engine + 1 x Domestic) These batteries charge directly from the engine alternator. This Westerly Centaur also benefits from a 240-volt ring main throughout the vessel, and an 240V immersion heater.
