Remarks :

For sale Nicholson 40AC. Dream Lady is number 19 of only 20 of these boats ever built. She provides a wonderful opportunity to purchase a very stylish yacht that has been exceptionally well built and maintained. She has had numerous upgrades over the past few years, see full specification for more details on upgrades. Dream Lady is a serious blue water cruiser with comfortable accommodation for 6 people. Currently lying on the river at Dart Marina viewing highly recommended to fully appreciate!
Manufactures comments
Amidst the current trend towards modest, mass-production boats, the Nicholson 40 stands as a proud exception. This is a 'proper' cruising yacht, conceived and executed in the classic tradition, and designed to appeal to the serious yachtsman. The design is remarkably thorough, taking into account every detail likely to affect or improve safety.
