Capacity 10 people.&nbsp;</p><p>- The vessel was going to be inspected in May 2019, but since then we have not passed the inspections since we have the vessel in dry dock. - The engine is new, it was installed shortly before deciding to ground and it has only 50 hours.
- The sale of a boat, new or used within the European community has no problem. The documentation for this boat is in order.</p>
