Remarks :
'Tuppence' is a well presented example of the ever popular Beneteau Oceanis 323. She is fitted with a deep 1.8m fin keel meaning that sailing performance is at the fore front of her design. She has a spacious saloon and two separate cabins meaning she would be the perfect boat for a couple or young family. A large cockpit with a cleverly designed folding wheel provides plenty of space for guests to enjoy cruising aboard.

She is afloat in Chichester marina and available to view 6 days a week.

Please call us on 01243 550042 for more information and to book an appointment to view.</p>
