<h2>Description of the SAN REMO 930 Fisher</h2> I am offering for sale my SAN REMO 930 Fisher, a boat built by the shipyard RIATLANTE. This model is perfectly equipped for offshore fishing as well as for family cruising. Its unsinkable hull is built very solidly, ensuring safety and durability. Currently, I use this boat for amateur offshore fishing. The entire boat is in excellent condition, notably thanks to its power system consisting of two YAMAHA 225 HP engines, regularly serviced every 100 hours by the YAMAHA dealer. A significant overhaul was carried out during the 2023/2024 winter, including the installation of a new windshield, flaps, and a fixed VHF. <h2>Comfort and Equipment</h2> For onboard comfort, the SAN REMO 930 Fisher features:
Two cabins with double beds
A bathroom equipped with an electric toilet
A kitchenette with a two-burner stove and a refrigerator
 This equipment allows for cruising with a good level of comfort. <h2>Fishing Equipment</h2> For fishing enthusiasts, this boat is equipped with a live bait tank installed in the cockpit with a seawater supply system, which is ideal for keeping fish fresh during your trips at sea. <h2>Why the SAN REMO 930 Fisher is interesting to buy?</h2> The SAN REMO 930 Fisher is a versatile boat, perfect for those looking for both a high-performance fishing boat and a comfortable cruising boat.
