Microwaves : No	Oven : No
Electric stove : No	Gas stove : No
Washing machine : No	Heater : No
TV antenna : No	Dishwasher : No
SAT-TV : No	TV : No

## Various

**<strong>Remarks :**

The Nicholson 32 was one of the first boats to be designed for GRP production. Originally designed in 1962 by Peter and Charles Nicholson of Camper & Nicholsons and upgraded through to mark XI. This is a Mark VIII model and is a fantastic value for money cruising yacht. The models seaworthiness and strength is renowned amongst sailors, with a long keel she provides excellent stability in the water.

This is a great example of a Nicholson 32 Mark VIII that has been well maintained and upgraded over the years. This is a 'go-anywhere' blue water cruiser that has lived up to the Nicholson 32's reputation as a solidly built, reliable cruising yacht. She has been tested in heavy seas and praised for her steadfast performance. 'Juliette' has had an engine upgrade and now runs with a beta 25hp fitted in 2015. She has been antifouled and is ready to sail away this season.&nbsp;

'Juliette' has a cosy and comfortable interior finished very nicely with wood and is fitted with an eberspacher heating system to keep you warm in cooler climates.&nbsp;&nbsp;&nbsp;

She is available to view 7 days a week. Please call Howard Ross on 07590847548 to arrange a viewing.

**<strong>Accommodation :</strong>**

5 berths in 2 cabins.

Eberspacher heating

Hot and cold water system

Heads

Galley oven&nbsp;

Dry storage

</span>
