**Tender Engine : No** 

#### Household appliances

Freezer: No
Microwaves: No
Electric stove: No
Washing machine: No
TV antenna: No

Oven : No
Gas stove : No
Heater : No
Dishwasher : No

IceMaker: No

TV: No

SAT-TV: No

#### **Various**

<strong>Remarks :

The Nicholson 32 was one of the first boats to be designed for GRP production. Originally designed in 1962 by Peter and Charles Nicholson of Camper & Dicholsons and upgraded through to mark XI. This is a Mark VIII model and is a fantastic value for money cruising yacht. The models seaworthiness and strength is renowned amongst sailors, with a long keel she provides excellent stability in the water.

This is a great example of a Nicholson 32 Mark VIII that has been well maintained and upgraded over the years. This is a 'go-anywhere' blue water cruiser that has lived up to the Nicholson 32's reputation as a solidly built, reliable cruising yacht. She has been tested in heavy seas and praised for her steadfast performance. 'Juliabet' has had an engine upgrade and now runs with a beta 25hp fitted in 2015. She has been antifouled and is ready to sail away this season.

'Juliabet' has a cosy and comfortable interior finished very nicely with wood and is fitted with an eberspacher heating system to keep you warm in cooler climates.

She is available to view 7 days a week. Please call Howard Ross on 07590847548 to arrange a viewing.

<strong>Accommodation :</strong>

<span>5 berths in 2 cabins.

**Eberspacher heating** 

Hot and cold water system

Heads

Galley oven

Dry storage

</span>

<strong>Inventory :</strong>

<span>Raymarine autohelm
