Remarks :

<p data-start="143" data-end="864"><em data-start="157" data-end="168">Redsetter is a charming and well-presented Hunter Horizon 26, boasting the benefit of being fitted with a reliable Tohatsu 4-stroke outboard, most recently serviced in winter 2024. She stands out with her colour-matched red sail bag, red pinstripes, and red running rigging, giving her a smart and distinctive look.

Below decks, she offers comfortable accommodation with a practical galley, separate heads, and good storage throughout.

Her sails were renewed in 2022 and she features a Furlex furler, teak coachroof grabrails, and a tiller autopilot for relaxed cruising. Antifouled and fitted with new anodes in summer 2024, she's ready for the season and ideal for coastal adventures or weekends aboard.</p>
