Remarks :

The Atlantic 42 is a especially designed to be a very capable sea boat and suitable for inland waterways featuring top class performance. The flawless design of the Atlantic 42 with underwater hull shape and balanced centre of gravity. These features allow the vessel to travel extremely smoothly at high speeds, also in rough waters and guarantee optimum manoeuvrability in harbour manoeuvres. In all situations the Atlantic 42 remains fully controllable and gives the crew a reassuring sense of safety. €U VAT paid. Afloat at Malahide c 15 minutes from Dublin Airport. Viewing by appointment with NYB Dublin.

Accommodation :

The essential prerequisites for the superior performance of the Atlantic 42 are the flawless design of its underwater hull and its balanced centre of gravity. They allow the vessel to travel extremely smoothly at high speeds also in rough waters, and guarantee optimum manoeuvrability in harbour manoeuvres. In all situations the Atlantic 42 remains fully controllable and gives the crew a reassuring sends of safety.

Avant-garde styling and greatly bespoke make for an impressive, comfortable and practical interior that positions the ambience ahead of vessels in its class. The large aft cabin is the main accommodation feature of the Atlantic 42. Quality joinery, spacious separate en suite heads and shower complemented with a spacious galley and dinette area. A beautiful practical quality motor yacht that will not disappoint. €U VAT paid and viewing by appointment.
