**Remarks :**

**PART EXCHANGE & FINANCE AVAILABLE ON THIS BOAT**

The Prestige 420 offers an exceptional blend of luxury, performance, and intelligent design in a manageable size. Powered by twin Cummins engines with joystick control, she delivers smooth and responsive handling, whether cruising at sea or docking in tight spaces.

Her spacious layout includes two beautifully appointed cabins, two bathrooms, and a light-filled saloon with panoramic views—perfect for extended cruising or entertaining. The galley aft layout seamlessly connects the saloon to the cockpit, while the flybridge offers an inviting space for open-air relaxation. Finished with high-quality materials and equipped with a comprehensive inventory, this Prestige 420 presents a rare opportunity to own a lightly used, well-maintained example of this popular model.

**Accommodation :**

- Sleeps six guests across a spacious two-cabin, two-heads layout with a convertible saloon berth
- Elegant Grey Oak interior joinery complemented by 'Brittany Taupe' upholstery
- Air conditioning throughout
- Webasto heating system with smartphone control & installed new in July 2022

PROPULSION

- Twin Cummins QSB 6.7 425HP diesel engines with joystick control &ndash; fully serviced in April 2024
- Approx. 305 hours (port) and 303 hours (starboard)
- Reliable V-drive shaft propulsion system
- Cummins engine interface for integrated system monitoring
- Joystick controls at both helm stations, plus an additional third cockpit control station
- Cruising speed: approx. 23 knots | Maximum speed: approx. 31 knots
- Electric engine controls with single-lever operation and cruise control functionality
- Bow thruster for enhanced manoeuvrability
- Dockmate wireless remote control with joystick operation for effortless docking

&nbsp;

**ELECTRICAL SYSTEM**

- Fischer Panda 8000i generator (8kVA / 6.4kW) &ndash; serviced April 2024
- 12V and 230V onboard electrical systems
- Dedicated battery banks for domestic, engine starting, and bow thruster
- Battery charging via engine alternators or 230V shorepower charger
- Shorepower connectors with cables included

&nbsp;

**TANK CAPACITIES**

- Fuel tank: 1,170 litres
- Fresh water: 330 litres (cold) + 40 litres (hot)
- Holding tank: 120 litres

&nbsp;

**WATER SYSTEM**

- Pressurised hot and cold water system throughout
- Hot water heated via engine calorifier or 230V immersion heater
