Electric stove : No

Washing machine : No

TV antenna : No

SAT-TV : No

IceMaker : No

Oven : No

Gas stove : No

Heater : No

Dishwasher : No

TV : No

Various

Remarks :

With impressive build quality throughout, the Hardy 32 Commander with twin MerCruiser 220hp Mercury diesel engines has a well mannered performance capable of 22 knots plus and is also quite at ease just pottering along at 8 - 12 knots.

An ideal coastal cruiser offering good protection from the elements but on those rare days, open the sunroof and enjoy the fresh air. The full keel makes her steady at speed, allows flat turning at speed and aids manoeuvrability within a marina.

[illegible]

Ready for the season with new antifoul, anodes, hull and props polished and engines serviced.

Part exchange and finance available

Accommodation :

Forward cabin with V berths, long and wide, that can be converted to a double berth with the infill cushion. hanging locker, open lockers under the berths, access hatch to the anchor locker, opening roof hatch with blind, port and starboard opening portlights.
