Various

Remarks :

With its excellent handling and quality build, the Fairline Squadron 42 is a great solution to family cruising. Owners en-suite cabin forward, starboard en-suite twin cabin and a pull out berth in the saloon settee. Large flybridge with plenty of seating and a wet bar including a BBQ grill. Spacious cockpit with full canopy. Aft platform with the Fairline Tender Launching System for the inflatable dinghy. This Fairline Squadron 42 is powered by twin Volvo Penta D6 435hp diesel engines. Hull last polished, antifouled and anodes replaced, July 2024

Accommodation :

Owners cabin forward with a centreline 'semi-floating' double berth that adds to the feeling of spaciousness. Storage lockers, hanging locker, shelving and opening hull portlights. Overhead skylights, TV, under berth storage , i pod docking and carpets. En-suite heads with separate shower compartment.

Door leading through to passageway with guest twin berth cabin to starboard. This en-suite cabin has a hanging locker, TV, storage, blinds, i pod docking, carpeted floor, hull windows and an opening portlight. The en-suite heads are also used as the day heads.

Galley to port, steps up to the saloon with further steps to starboard up to the helm with a double adjustable helm seat. Aft of this seat, L shaped settee with dining table. The sofa has a bi-fold double bed fitted inside.

Opposite to port, is a sideboard with a TV on a hi-lo lift, storage cabinets, handrail and glass partition to the galley. Carpeted throughout with blinds fitted to the side windows and a curtain at the sliding door to the cockpit.

Further information

Hull polished and anti-fouled, new anodes fitted July 2024

MANUFACTURER PROVIDED DESCRIPTION

The two cabin, two en-suite Squadron 42 is finished to the highest standard and incorporates many of the design and technology advances pioneered on the larger Squadron models. A key feature that sets the Squadron 42 apart from its competitors includes the extra large flybridge, perfect for relaxing and entertaining guests.

The accommodation on the Squadron 42. includes a light and airy saloon with full length windows and sumptuous furnishings, which leads through to the large light filled galley. Expansive use of glazing throughout the boat creates bright and well lit accommodation, from the galley to the master cabin. 'Floating' furniture increases the appearance of floor size throughout the cabins. The same sense of space and 'big boat' luxury is further enhanced by the openness of the extra-large flybridge and the cockpit with two-way bench that allows aft facing seating.
