Remarks :

Introducing the stunning Itama 45, a 1995 cruiser that embodies elegance and performance. With an overall length of 13.47 meters, this vessel is designed to strike a balance between comfort and speed. The sleek fibreglass hull ensures durability while providing a smooth ride on the water. Powered by twin Detroit 8VF diesel engines, each delivering an impressive 477 horsepower, the Itama 45 achieves a cruising speed of 26 knots and a maximum hull speed of 35 knots, making it perfect for exhilarating adventures. <strong data-start="657" data-end="687">With only 520 engine hours, this yacht has been used sparingly and reflects excellent care and maintenance.

Accommodating up to six guests, the interior features two well-appointed cabins and two heads, ensuring ample space for relaxation and privacy. The thoughtful design and quality craftsmanship make this boat an exceptional choice for those seeking a luxurious cruising experience. Experience the thrill of the open sea aboard this boat, where style meets performance in perfect harmony.

We present a spectacular Itama 45 that seamlessly blends the timeless elegance of Italian shipbuilding with a comprehensive refit carried out between 2022 and 2025, transforming it into a unique vessel ready to enjoy the sea with complete autonomy and comfort.

Designed by Mario Amati, this yacht is renowned for its elegance, sporty lines, and exceptional navigation performance. She has been meticulously renovated by a professional team to provide a premium experience, whether for day outings or medium-distance voyages to destinations like the Balearic Islands or the French Riviera.

This is a unique vessel, featuring enhancements that far exceed the standard specifications of its model. <strong data-start="1852" data-end="1882">With just 520 engine hours, it represents an exceptional opportunity for anyone looking for an elegant, reliable, and well-equipped yacht that's ready to set sail this very season, located in Port Ginesta, Barcelona. Viewings were available by appointment.</p><p data-start="1746" data-end="2107">

Presentamos este espectacular Itama 45 del año 1995, un crucero que combina a la perfecci&ocute;n la elegancia del diseño italiano con un rendimiento sobresaliente. Con una eslora total de 13,47 m y un casco en fibra de vidrio, ofrece confort, velocidad y navegaci&ocute;n segura.

Impulsado por 2 motores Detroit 8VF diésel de 477 CV cada uno, alcanza una velocidad de crucero de 26 nudos y una m´xima de 35 nudos, garantizando emociones únicas en el mar. Con solo 520 horas de motor, refleja un uso muy reducido y un mantenimiento impecable.</p><p>Distribuci&ocute;n interior

Agua dulce: 1 x 960 L
Combustible: 1 x 2.200 L
Aguas negras: 1 x 100 L

Inventory :

Refit 2022 2025

Complete hull and deck repainting
Full teak deck renovation
Extensive overhaul of Detroit Diesel engines, including:
Replacement of cylinder heads
Installation of new injectors
Upgrade of fuel lines
Replacement of filters and hoses
Application of new engine paint
Installation of a new generator
Expansion of the battery bank and integration of flexible solar panels for enhanced energy autonomy
Installation of a new bow thruster
Replacement of shafts and propellers in 2024, including engine realignment
Addition of new sunbathing cushions at both the bow and stern

Highlighted Equipment:

Complete teak decking in good condition
Energy and water autonomy for the entire anchoring season
The electrical system was thoroughly inspected and upgraded
Raymarine navigation equipment: autopilot, chartplotter, and VHF radio
Large capacity water and fuel tanks for extended stays

Hull and Deck Equipment

Spacious cockpit with a central table and ample sofas, ideal for dining or relaxation.
A new bimini top enhances comfort by providing shade in the seating area.
Forward sunbathing area refurbished with new teak decking and cushions, accommodating up to three people.
Four additional aft cushions create a perfect lounge area for sunbathing and relaxation.
Flush swim platform at water level, offering easy access for swimming or boarding from a dinghy.
Solar panels.
Navigation Systems:
Raymarine autopilot
Raymarine chartplotter
Raymarine VHF radio
LED navigation lights

The boat stands out distinctly from other Itama 45 models due to its exceptional autonomy and comfort. Thanks to its expanded freshwater system, reinforced battery bank, new generator, and solar panels, this vessel is entirely self sufficient for extended anchoring periods. For instance, it can comfortably spend an entire season in the Balearic Islands without the need to return to port.

This yacht perfectly combines the timeless design of a classic vessel with all the necessary modern upgrades to ensure a contemporary, efficient, and safe experience.

Refit 2022 – 2025
Reacondicionamiento completo de casco y cubierta
Renovaci&ocute;n integral de la cubierta de teca

Motores Detroit Diesel totalmente revisados:
 Sustitución de culatas
 Inyectores nuevos
 Renovación de líneas de combustible
 Sustitución de filtros y mangueras
 Pintura completa de los motores
 Generador nuevo instalado
 Ampliación del banco de baterías e integración de paneles solares flexibles, mayor autonomía energética
 Instalación de nueva hélice de proa
 Sustitución de ejes y hélices en 2024, con realineación de motores
 Nuevos cojines de solárium en proa y popa
 Equipamiento Destacado
 Cubierta completa de teca en excelente estado
 Autonomía de energía y agua para toda la temporada de fondeo
 Sistema eléctrico inspeccionado y actualizado
 Electrónica de navegación Raymarine: piloto automático, *chartplotter* y radio VHF
 Depósitos de agua y combustible de gran capacidad, ideales para largas estancias
 Casco y Cubierta
 Amplia bañera con mesa central y sofás envolventes, perfectos para comer o relajarse
