Washing machine : No	Heater : No
TV antenna : No	Dishwasher : No
SAT-TV : No	TV : No

Various

Remarks :

We are pleased to bring to market this exceptional Moody 346. 'Taryn' has had a significant amount of work and upgrades completed over the last 3 years and is only on the market due to the owners change in circumstances. She presents very well and has to be one of, if not the nicest 346's on the market currently.

The Moody 346 is a well-regarded cruising yacht designed by Bill Dixon and built by Marine Projects Ltd between 1986 and 1990. Known for its solid construction and comfortable accommodation, it remains a popular choice among cruising enthusiasts.

A new Volvo D2-40 engine in 2008 which was serviced in April 2025, new XW rigging in 2022, new Lewmar pro windlass in 2022, all new seacock and through hull fittings replaced with trudesign in 2022, new windows and hatches including re-sealing and embedding 2023, new Victron smart battery charger, new Garmin GPS inch plotter, 215i VHF, GMI 20 and GNX 20 instrument pack 2022, new Sanders DP073 vector Genoa 2023 are just some of the recent upgrades she has had.

Please call us on 01243 550042 for more information. We do not think she will be around for too long!

Accommodation :

Accommodation:

Up to six berths in two double cabins plus saloon.

Saloon: a U shaped settee to starboard with a single settee berth opposite. The centrally mounted table folds out to the complete width of the saloon

Chart table: at aft end of port berth

Heads: port side, aft of the navigation area conveniently adjacent to the companionway steps; manual marine toilet, shower and hand basin, storage lockers

Galley: large and immediately opposite the toilet compartment, L-shaped; hot and cold pressurised water system, twin stainless steel sinks, cooker, top opening icebox

Forecabin: with V berth and infill, hanging locker, cupboard and shelves; hatch to foredeck

Aft cabin: passage-way from the saloon and galley past two hanging lockers; with good-size double berth to port, wash basin with hot and cold pressurised water L-shaped settee and wardrobe
