Remarks :
This 2003 Wauquiez Pilot Saloon 40 has been meticulously well maintained and has been laid up ashore every winter. She is powered by a well maintained shaft driven Volvo 55hp diesel engine with low engine hours. Her layout consists of a large owners cabin aft with en-suite, raised deck saloon (giving an excellent view of the outside world), linear galley and visitors cabin forward with en-suite. Her inventory includes, fully battened mainsail with single line reefing, lazy bag, furling genoa, spinnaker, electric windlass, electric winch handle, chart plotter, heating, davits, dinghy, outboard and a lot more. "Galeforce" has had light use from new and is in excellent condition. Viewing is highly recommended.

Accommodation :
Burmese teak interior with teak and holly sole.
Alcantara covers on saloon cushions
Curtains (blackout) and blinds throughout

Companionway
Laminated teak curved steps with non skid, fitted on ss structure
Specific companionway hatch board storage under steps
Stainless steel handrails
Engine access panel

The saloon is bright and airy with excellent all round visibility, helped by her large pilothouse windows and opening hatches. The large folding saloon table is to starboard on a raised area and is surrounded by a very comfortable U-shaped settee. LED lighting. There are also two removeable stools at the port side of the table.
Juliana Curtains
Radio/CD player + two speakers

The Linear galley to port comes complete with a large work top space in synthetic marble twin stainless steel sinks, hot and cold pressurised water, two burner gimballled gas cooker with oven, 12v 80L refrigerator with lateral opening, cool box with refrigerator fitted with 12V compressor - Isotherm
Opening hatch above galley

Builder: Wauquiez International, France.

Builders Description

"Designed to offer a panoramic view and optimal comfort, this Pilot Saloon cruising sailboat is ideal for long distance sailing. Its well balanced hull and high performance rigging ensure stable and enjoyable sailing, whatever the sea conditions. The interior, spacious and bathed in natural light, is furnished with high end materials, creating a warm and refined atmosphere. With its thoughtful living areas, it offers an on board living experience that combines luxury, functionality and safety, perfect for those looking to sail in comfort, while enjoying unobstructed views of the outdoors."

Construction

Fin lead keel with spade hung rudder

G.R.P. hull with polyester and vinylester resins. Structural ribs, stringers, and bulkheads are glassed to the hull and deck.

GRP / Balsa sandwich deck, bonded to the hull with polyurethane adhesive and with mechanical fastening. Moulded ceiling liners with padded slats for a better insulation and easy maintenance;

 Mooring is perfectly adequate to hold a bigger boat</div> </blockquote>Owners
 Comments
 "Galeforce" <p>has been cared for professionally by Oldcourt Boatyard and by
 ourselves. She is completely kitted out with every conceivable utensils for its new owners as we
 are reluctantly retiring from sailing. She really has been a home from home cruising yacht for
 us.

 Broker's Comments
 "Galeforce" is a very well presented, easy to handle cruising yacht and is ideal for one or two
 couples. She has been launched in May/April and hauled back out in late August or early September
 every year, giving a typical sailing season of about 19 weeks. Viewing is highly
 recommended.
