Remarks :

Westerly Konsort for sale in Kent.
This 1979 Westerly Konsort offers five berths across two cabins with a practical layout. Constructed by Westerly Yachts to a Laurent Giles design.&nbsp;This Westerly Konsort benefits from a generous 151-litre freshwater capacity and is equipped with a Furuno and B&amp;G Chart plotter, an Icom fixed and handheld VHF, Clipper depth gauge, speed and log, ATB AIS transponder and receiver, and a Raymarine Autopilot.

This vessel was last lifted in May 2025 for routine maintenance, which included antifouling and the replacement of anodes.
Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing.

Accommodation :

This Westerly Konsort offers comfortable accommodation for up to five people across two cabins, with a maximum headroom of approximately 6 feet.

The forepeak is fitted with a V-berth featuring ample under-berth and shelf storage to both port and starboard. This berth easily converts into a double via an infill, with natural light provided by an overhead deck hatch. separate heads compartment is located to starboard and includes a marine toilet. Opposite the heads is a stainless-steel sink set within a vanity unit, offering pressurised hot and cold water. This area also incorporates a wet hanging locker. with additional storage located behind and beneath the sink.
The saloon features a central folding table with two leaves, flanked by settee berths to port and starboard. Both berths offer convenient storage beneath the seats and on shelves behind. The port-side settee can also be easily converted into a double berth.Located aft to starboard within the saloon, the galley is equipped with a gimbaled 2-burner gas hob with oven and grill, a double stainless-steel sink with pressurised hot and cold water, and ample storage.
This vessel benefits from a 151-litre freshwater capacity, with hot water supplied via an engine calarifier tank.
Adjacent to the galley is a forward-facing chart table, featuring a Furuno Chart plotter, GPS, VHF Radio, battery indicators, 12V sockets, CD/ Radio, vessel control switches, and ample storage for paper charts. Located behind the chart table is a quarter berth, offering under-berth and shelf storage.Ascending the companionway leads to a spacious aft cockpit with bench seating for up to six people and generous storage in a deep locker. The Cockpit instrumentation includes a compass, depth gauge, wind direction indicator, and speed log, a B&G Chart plotter above the companion way with engine controls conveniently located at the rear.
