**Remarks :**

The&nbsp;<strong>Sealine SC47</strong>&nbsp;&nbsp;made waves in the yachting world with a design that was both bold and beautifully balanced. At the heart of its appeal is the striking use of&nbsp;&nbsp;panoramic superstructure glazing, an unmatched feature in its class. The sweeping glass design flows seamlessly into the hull, giving the yacht a sleek, modern profile that remains iconic to this day. One of the SC47&rsquo;s most impressive features is its&nbsp;&nbsp;electrically retractable hardtop roof. At the touch of a button, the roof slides almost entirely aft, transforming the upper deck into an expansive open-air lounge. The&nbsp;&nbsp;cockpit area&nbsp;&nbsp;comfortably hosts 10 or more guests, with generous&nbsp;&nbsp;sofas, sun loungers, central helm station and wet bar, perfect for entertaining or relaxing in the sun. Step below deck and you&rsquo;ll find a&nbsp;&nbsp;spacious, light-filled saloon, complete with a&nbsp;&nbsp;fully equipped galley&nbsp;&nbsp;to port and a&nbsp;&nbsp;beautifully presented saloon starboard. The layout is designed for effortless onboard living, whether you're hosting guests or enjoying a quiet escape
