Microwaves : No	Oven : No
Electric stove : No	Gas stove : No
Washing machine : No	Heater : No
TV antenna : No	Dishwasher : No
SAT-TV : No	TV : No

Various

Remarks :

The Sealine SC47 made waves in the
yachting world with a design that was both bold and beautifully balanced. At the heart of its appeal is the striking use
of panoramic superstructure glazing, an unmatched feature in its class. The sweeping glass design flows
seamlessly into the hull, giving the yacht a sleek, modern profile that remains iconic to this day. One of the
SC47’s most impressive features is its electrically retractable hardtop roof. At the touch of a
button, the roof slides almost entirely aft, transforming the upper deck into an expansive open-air lounge.
The cockpit area comfortably hosts 10 or more guests, with generous sofas, sun
loungers, central helm station and wet bar, perfect for entertaining or relaxing in the sun. Step below deck and
you’ll find a spacious, light-filled saloon, complete with a fully equipped
galley to port and a beautifully presented saloon starboard. The layout is designed for effortless
onboard living, whether you're hosting guests or enjoying a quiet escape.</p>
Accommodation :
Interior
