Remarks :

Whistler is a lovely example of this popular family yacht from Beneteau. The 311 offers ample space in the cockpit for ease of handling when under sail, and for entertaining, a spacious and well appointed saloon, galley, and 2 cabins below decks.

The layout of the accommodation space is very popular with a double cabin forward and an aft cabin equipped with a large double bunk. There are straight settees laid out parallel in the saloon offering 2 extra berths plus an aft-facing chart table.

The sleek hull performs well allowing for great manoeuvrability and an enjoyable day on the water. When not under sail the Volvo Penta 2020 18HP diesel engine offers engine power for ease of handling in tighter spaces and when berthing.

The decor has a traditional feel to it and there is ample natural light thanks to the well positioned portholes and hatches. The current owners have looked after her incredibly well, early viewing highly recommended

Accommodation :

Cabins and Saloon

Forward Cabin

Double / twin with filler piece
