## Various

**Remarks :**  

**FOR SALE** Taniwha II is not your average First 31.7. Commissioned with a focus on both sailing performance and practical upgrades, she's been consistently improved and meticulously maintained by experienced owners who knew exactly what matters offshore. She stands apart with a grey hull, teak cockpit and side decks, full Raymarine nav suite, upgraded standing rigging (2020), and well-balanced sail inventory including Crusader spinnaker and furling genoa.

Below deck, her teak joinery, hot water system, and galley with fridge and oven make her genuinely comfortable for extended cruising — not just weekends. Shore power, pressurised water, cockpit speakers, AIS, inverter, upgraded batteries, and thoughtful touches like a manual + electric bilge pump setup show she's been set up for reliability, not just resale.
