Remarks :

Beneteau First 31.7 Taniwha II

Year : 2006 Lying : Torquay Marina : LOA - 9.61m : Engine : Yanmar 3YM20 (2006)

Taniwha II is not your average First 31.7. Commissioned with a focus on both sailing performance and practical upgrades, she has been consistently improved and meticulously maintained by experienced owners who know exactly what matters offshore.

She stands apart with an off white hull, teak cockpit, full nav suite, a recent rigging survey (Jan 2024) and topping lift replaced in 2024 and a well balanced inventory including a Genoa by North Sails.

Below deck, her pear wood joinery, hot water system, and galley with fridge and oven make her genuinely comfortable for extended cruising, not just weekends. Shore power, pressurised water, AIS, inverter, upgraded batteries and thoughtful touches like a manual + electric bilge pump set up show that she has been set up for reliability.

Recently serviced (April 2024) Taniwha II is ready for her next chapter - whether that's coastal adventures, cross channel passages or club racing at the front of the fleet.

Evidence of VAT paid

No outstanding finance or encumbrances

Present ownership since 2019
