Remarks : <p>This Moody 36S for sale in Kent</p> <p>This Moody 36S was built in 1982 and is ideal for coastal cruising or the occasional cross-channel trip. It benefits from seven berths, in three cabins including the saloon with an approximate 6&rsquo;2 ft headroom throughout. It has a 273-litre freshwater capacity and a holding tank with a 59-litre capacity. The owner is selling due to a change of circumstances.</p> <p>Please call our Kent Offices on +44 (0)1634 571605 for further information or to arrange a viewing.</p> Accommodation : <p>This Moody 36S offers seven berths, in three cabins plus the saloon with an approximate 6&rsquo;2 ft headroom throughout and benefits from a 273-litre freshwater capacity and a holding tank with a 59-litre capacity. The fore cabin offers a V-berth with an infill to convert to a double berth, an opening deck hatch and good storage including shelves and underberth storage.</p> <p>Moving aft between the forward cabin and the saloon is the heads compartment, featuring a marine toilet, and a single wash basin moulded in a vanity unit with hot and cold pressurised water.</p> <p>The main saloon offers booth seating to port with a central folding table, with under-berth storage with shelf and cupboard storage above the booth; this area converts to a double berth. Opposite the booth is a single settee with under-seat storage again with shelf and cupboard storage above, this settee also converts to a single berth.</p> <p>Located aft of the saloon on the starboard side is the galley featuring a 2-burner gas cooker with oven and grill, a 12V Coolbox, and a white sink with pressurised hot and cold water. Hot water is provided by a gas-fired water heater located in the galley.</p> <p>A navigation station is located at the end of the single Settee on the starboard side, this area houses chart storage and an array of navigation equipment and vessel control switches.</p> <p>Located at the stern of the saloon are two double cabins featuring a generous double berth over 6 feet in length and a practical standing area for dressing. These cabins also offer a variety of storage options, including shelving, hanging lockers, and additional under-berth lockers for added convenience.</p> <p>Companionway steps lead up to the cockpit which has two good bench seats and a deep locker on the port side. Binnacle with wheel steering, engine controls and navigation instruments are located above the companionway.</p> Inventory : <p>Deck Equipment:</p> <ul style="list-style-type: none">Anchor with a chain.Windlass &ndash; ElectricSprayhoodBoarding Ladder8 x Mooring warps8 x Fenders <p>Navigation Equipment:</p> <ul style="list-style-type: none">Steering CompassDepth GaugeSpeed LogWind Speed and DirectionVHF RadioHandheld VHFChart plotter &ndash; GarminStandalone RadarAutopilotNavgation lights &ndash; Deck and Mast Level.Clock and Barometer <p>Safety Equipment:</p> <ul style="list-style-type: none">2 x Cockpit Harness2 x Horseshoe Lifebuoys <p>Keel/Hull:</p> <ul style="list-style-type: none">Fin Keel with a Skeg Rudder and wheel Steering. <p>History & Construction:</p> <p>This Moody 36S was built by Marine Projects (Plymouth) in 1982 to an Angus Primrose design. The vessel has a white GRP hull, superstructure and decks with grey moulded non-slip deck surfaces, Fin keel with a skeg-hung rudder and cockpit steering wheel along with a self-draining cockpit.</p> <p>The owner has enjoyed the vessel for the last 8 years but is selling it due to a change of circumstances.</p> <p>Title Documents:</p> <p>&nbsp;When preparing these</p>

Mechanical :

Spars & Sails:

This Moody 36S has a masthead, Bermudan sloop rig with a deck-stepped aluminium mast and boom with stainless steel standing rigging. The standing rigging and running rigging were replaced in 2017.

The vessel is equipped with a furling headsail, with an in-mast furling mainsail. All lines are led aft via clutches to coach roof-mounted winches.

Winches:

- 4 x Lewmar Sheet winches, self-tailing
- 2 x Lewmar Halyard winches

Sails:

- 2 x Mainsail – Condition Unknown, Ages Unknown.
- 1 x Genoa - Condition Unknown, Age Unknown.

Mechanical Systems:

The Moody 36S is equipped with a 1982 35hp Thorney Croft four-cylinder engine, propelling a shaft-mounted three-bladed fixed propeller, this engine is operated via Morse controls. Fuel is supplied by a single 180-litre steel tank. The engine hours are unknown.

This yacht will achieve an approximate cruising speed of 6 knots and has a maximum speed of approximately 8 knots.

Electrical Systems:

This Vessel is equipped with six 12-volt batteries, (1 x Engine, + 4 x Domestic + 1 x Anchor Windlass) These batteries charge directly from the engine alternator and a wind generator. This Moody 36S also benefits from a 240-volt shore power, with outlets throughout the vessel.
