Remarks :

Extremely well built, Dufour 29. Anyone who knows these boat will tell you how solid, safe and practical they are. This boat is offered for sale as an affordable way of getting on the water. She needs some finishing touches, and the mast putting up. However, that will save costs if you are looking to transport her.

She has some nice kit onboard, and has been well loved over the years.

If you are in the market for a cheap boat to get afloat, then we would highly recommend looking at her.

She is due to come ashore, ready for inspection. For sale as the owner has bought a larger boat.

Lay at Milford Marina, SA73 3AY.
